

COMPANY PROFILE 2022

COMPANY OVERVIEW

ABOUT US

We are a diversified health services organisation offering health care and medical solutions that make a difference in people's lives. Our service processes go beyond the conventional way of thinking in order to offer value for our patients.

Our slogan carries our promise to serve wholeheartedly and provide health care services that exceed expectations.

Dedicated to your Health? We are your partner for health, helping you live well by bringing the best in healthcare.

We provide fast, effective and affordable care for non-life threatening illnesses. We strive to ensure that our patients are attended to in the shortest possible time.

OUR SERVICES

**General Consultations
/ Family Practice**

Nectacare offers general medical consultations through a highly trained team of General Practitioners and Nurses, providing care for all from babies right through to elderly patients.

**Admissions,
Hospitalisation &
Specialist Services**

We offer general admissions for medical and surgical cases, COVID-19 Isolation, and treatment facilities. At Nectacare Shabani Mine Hospital we have activated specialist services including General Surgery, Orthopaedic Surgery, Obstetrics & Gynaecology and Physiotherapy.

**Pharmaceutical
